**WRANGLER 2**

## Baja Wrangler 2 Outdoor Mobility Scooter

Powered by dual 24-volt/12-amp motors, the 14.5" tubeless pneumatic tires crush it on root-strewn paths, gravel and sandy surfaces. Meanwhile a rugged suspension system, steering stabilizer and memory-foam seat provide all-day comfort for the long haul.

Starting at **\$5,349**

Color: Satin Aluminum

### PX4

Powered by NFC ignition and offering more room to breathe, the PX4 is feature-rich, smooth-riding, powerful and designed to enhance your outdoor adventures.

Starting at **\$4,999**

Color: Grey (matte)

### Pursuit 2

With a fast cruising speed of 9.3 mph, a per-charge range up to 40 miles and pneumatic tires that can tackle any road (or backroad), it puts thrill-seekers on the path to happiness, fast.

Starting at **\$3,609**

Color: Garnet Red

### Heavy Duty

### Maxima 4-Wheel

Experience the comfort of a new high-back, depth adjustable limited recline seat that swivels for easier access. This mobility scooter comes standard with side bumpers, a USB charger and full LED lighting!

Starting at **\$3,329**

## Baja Bandit Outdoor Mobility Scooter

Venture with confidence knowing you're equipped with the perfect blend of power and agility for all your journeys. An impressive ground clearance of 4.5" will get you through those rough spots with ease, and you'll be flying on flatter stretches with a top speed of 8 mph. With a 400-pound weight capacity and an ungradable dual lithium-ion battery configuration that delivers up to a 29-mile range.

Starting at **\$3,059**

**BAJA BANDIT**

NEW CAMO

# Travel Power Wheelchairs

## Q50 R Carbon PWC

*Travel lighter with QUICKIE's lightest carbon folding powerchair.*

Long-haul getaways. Family breaks. The daily commute. Whatever your destination, the QUICKIE Q50 R Carbon is your perfect travel partner.

Weighing a mere 32 lbs. (without batteries) and fabricated from premium carbon fiber, take a load off your mind (and your arms) knowing that this powerchair can be lifted effortlessly.

Foldable in seconds, it stores snugly away in the tightest of places, too (and all without removing the battery).

**Starting at \$2,995**

## Ally PWC

*Experience freedom with the new Golden Ally™*

Designed to provide the strength and solid feel of a traditional chair yet remaining light weight and portable enough to be the perfect travel partner.

Enjoy the maneuverability indoors with its tight turning radius or take on an outdoor adventure and appreciate its great ride quality and capability, compliments of its large, pneumatic rear drive wheels.

Its comfortable seating and foot positions will be a welcome change from the compromises of the typical travel chair. With a durable, long-lasting battery and a user-friendly, intelligent interface, navigate any environment with ease and confidence.

**Starting at \$2,899**

## Buzzaround CarryOn PWC

*The new Buzzaround CarryOn folding power wheelchair is truly in a class all by itself!*

This unique power chair is super portable with a 21" turning radius and center wheel drive for optimal control and maneuverability making it the perfect partner for your next adventure.

Independent 4-wheel suspension provides a smooth ride indoors and out.

The heaviest piece is 46 lbs. (without seat and batteries) and the height when folded is only 10" for small space storage tucked out of the way.

**Starting at \$2,499**

## LiteRider Envy PWC

*The Golden LiteRider Envy Power Wheelchair is the world's lightest, most portable and maneuverable power chair!*

Designed with the end-user and their caregivers in mind, the LiteRider Envy motorized wheelchair can be disassembled in just seconds to easily fit in the trunk of virtually any car.

The LiteRider Envy mobility aid offers a comfortable ride all day long, with a stadium-style seat and a generous footplate, plus bigger 22 amp hour batteries so you can go further than ever before!

**Starting at \$1,299**

# Alterrain Power Wheelchairs

## Extreme X8 All-Terrain PWC

### *Unparalleled off-road performance*

The Magic Mobility Extreme X8 is your partner for just about any adventure. Through sand or snow and up or down curbs, the Extreme X8 is a true all-terrain power wheelchair. Unrivaled 4x4 off-road performance and reliability make it the perfect outdoor wheelchair.

*Call for Pricing*

## Frontier V6

### *Intuitive mid-wheel drive off-roading*

The Magic Mobility Frontier V6 all-terrain mid-wheel drive power wheelchair provides tremendous off-road and curb-climbing capabilities. Its low pressure tires provide a smoother ride and give the Frontier V6 increased climbing ability. The Frontier V6 is the ideal outdoor wheelchair, yet its size makes it a capable indoor performer, too!

*Call for Pricing*

## Magic 360

### *Off-road to indoors*

The Magic Mobility Magic 360 is one of the few compact powerchairs that is robust enough for off-road, maneuverable enough for indoors, and versatile enough for everything in between. The Magic 360 is compact enough to get around your home and is full of all-terrain technology to take you where you want to go.

# Complex Rehab Power Wheelchairs

**permobil**

## M Corpus VS *Made to Move*

The new M Corpus VS brings Permobil's proven, customizable power standing to the maneuverability of a mid-wheel drive base.

You can further customize your standing position with the adjustable chest support, multiple knee support options, and a power articulating footplate.

*Call for Pricing*

## F5Corpus *Stand Without Compromise*

We combined all the performance features of the F5 Corpus with superior power standing wheelchair functionality.

Fully programmable standing sequences allow you to find the perfect position using supine, semi-reclined or sit to stand techniques.

*Call for Pricing*

## M5 Corpus *Made for More*

Take control with high-performance motors enabling a top speed of 7.5 mph and exceptional low-end torque that lets you pivot like a pro.

Experience unsurpassed stability and ride comfort with FlexLink Pro independent drive wheel suspension.

*Call for Pricing*

## F3 Corpus *Small footprint, big impact*

The F3 Corpus offers the smallest footprint of the F-series front wheel drive power wheelchairs. Its compact size and agility allows users to easily maneuver in and out of tight spaces.

The optimized battery weight distribution, lower center of mass and fully adjustable ComfortRide suspension improve stability while traversing inclines or declines.

*Call for Pricing*

## M3 Corpus *Made for More*

Meticulously engineered to help you maintain better positioning, feel more secure and reduce driving fatigue so you can conquer daily activities with ease.

Featuring the innovative FlexLink suspension geometry with independent caster swing-arms helping to keep you stable and in control as you traverse the obstacles in your world.

*Call for Pricing*

# Complex Rehab Power Wheelchairs

## Edge 3 Stretto

The Edge 3 Stretto® is the narrowest, most maneuverable power base in America! This narrow wheelchair base is perfect for navigating tight corners and small spaces.

With an overall width of 20.47" with 12.5" drive wheels, the Stretto® is the best narrow wheelchair for children, teenagers and small adults to use in the home.

*Call for Pricing*
