

Rollators & Walkers

Rollators

Escape Rollator

Available in three seat heights to fit almost any user. It boasts a compact folding system that is easy to initiate with a simple lift of the release handle. This design makes it easier to lift into the trunk of a car and, as an added benefit, it also stands when folded for easy storage.

\$399.95

Escape Mini

Available in 20" seat height and has a compact folding system that is easy to fold with a simple lift of the release handle.

This design makes it easier to lift into the trunk of a car but, as an added benefit, it also stands when folded for easy storage when not in use.

\$399.95

Triumph Maverick

Get the support you need with the lightweight Maverick. Whether it's running errands or visiting a friend, its lightweight design gets you moving and lets you rest when you need to. Just go!

\$869.95

Triumph Prestige

All-in-one rollator and transport chair

You can swivel the flexible padded back rest from the rollator position to the transport chair, flip the handgrips around from the user position to the caregiver, and the user is ready to move.

An all-in-one rollator for even greater mobility support. Proudly designed and engineered in Canada, the Triumph Prestige was created with comfort in mind, featuring:

- Smart design that saves time
- Comfort built in for both user and caregiver
- Safety that stands out
- A lifetime warranty on a device that is made to last

\$1,295.00
